

src/conversiones.cpp

```
graph TD; A[src/conversiones.cpp] --> B[string]; A --> C[../includes/conversiones.hpp];
```

The diagram illustrates the dependencies of the file `src/conversiones.cpp`. It is represented as a box at the top. Two blue arrows originate from the bottom of this box and point to two other boxes below it. The left box is labeled `string` and has a light gray background. The right box is labeled `../includes/conversiones.hpp` and has a white background. Both boxes have a thin black border.

string

../includes/conversiones.hpp
