

includes/database/MySqlConnection.h

```
graph TD; A[includes/database/MySqlConnection.h] --> B[iostream]; A --> C[mysql_connection.h]; A --> D[mysql_driver.h];
```

The diagram illustrates the header file dependencies for `includes/database/MySqlConnection.h`. Three blue arrows originate from the bottom of the top box and point to the top of the three boxes below it, indicating that `MySqlConnection.h` includes `iostream`, `mysql_connection.h`, and `mysql_driver.h`.

iostream

mysql_connection.h

mysql_driver.h
